alzheimer's  association®

November 7, 2014

Richard Holub, MD
Neurological Associates of Albany, P.C
760 Madison Ave
Albany, NY

Dear Dr. Holub,

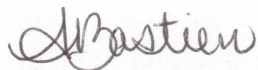

Thank you so much for everything you did to help make the 2014 Capital Region Walk to End Alzheimer's™ a success! Our sponsors played a huge role in the success of our day and your generosity as a Silver Sponsor at the \$1500 level enables us to provide much needed programs and services to the affected families in our communities.

On Saturday, September 27th approximately 175 teams with 1,500 participants joined together at Siena College and raised nearly \$210,000 to date. We hope some employees from your organization were able to come out and enjoy the beautiful day with us.

Walk to End Alzheimer's™ is a signature event of the Alzheimer's Association. We depend on this event to support vital programs and services to families in the Capital Region affected by Alzheimer's and dementia, and to advance research to find better treatments and eventually, a cure. For more information about Walk and the work of our Chapter, please visit www.alz.org/northeasternny.

Thank you again for your support this year and in the future. Please save the date for the 2015 Walk to End Alzheimer's™ on September 26th at Siena College. Together we can achieve our vision of a world without Alzheimer's.

Sincerely,

Stefanie Bastien
Special Events Coordinator

*Thank you for sponsoring
the walk. We greatly
appreciate your support!*
